Payment vs Class

Economy Dominance: The majority of transactions occur in **Economy Class**, showing a balanced use of all payment modes including Card, Cash, and UPI.

Preferred Methods: **Card** and **NetBanking** are the most frequently used methods, especially for high-value bookings in Business and First Class.

Digital Trends: There is a growing adoption of **UPI** and **Wallets** in the Economy and Premium Economy segments, reflecting modern digital payment trends.

Cash Usage: Cash transactions are almost exclusively limited to Economy Class, whereas premium classes rely entirely on digital and secure payment methods.
